YMCA TROUT LODGE

Teens from the greater St. Louis metro area will gather at YMCA Trout Lodge in Potosi, Missouri for #faithfest2010; a weekend-long youth retreat focused on discipleship, April 16-18, 2010.

“What’s Your Status?”

Teens update their status countless times each day on their favorite social networks like twitter, Facebook, and MySpace. Trout Lodge is taking teenage status updates to a whole new level at #FaithFest2010.

#faithfest2010 will include a keynote address by nationally recognized youth leader Jonathan McKee, and Point 5 will perform live music. Break-out sessions lead by St. Louis-area youth ministers will focus on the YMCA's five core values; Caring, Respect, Responsibility, Honesty, and Faith.

Trout Lodge activities like hiking, climbing structures, geocaching, mini-golf, and ziplines will be available for participating youth groups, as well. (Advanced sign-up is encouraged).
